Social Services Mileage Audit Released by Comptroller's Office

Robert E. Antonacci II CPA, Onondaga County Comptroller, released the audit of Onondaga County Department of Social Services Mileage Reimbursement program.

Mr. Antonacci stated, "This audit was conducted at the request of County Administration. What's interesting about this audit is after we conducted our initial review, the Department asked us to perform an additional review as the Department underwent consolidation. We are pleased with this type of cooperative effort especially when it comes to fixing and preventing internal control issues from arising in the first place."
