

I am currently a resident of Onondaga County and live in Westvale. I originally came to Syracuse in 2000 to retire after working for 22 years on Wall Street doing Corporate Accounting. I then went to school for nursing here in Syracuse and have worked in many places such as St. Joseph's Hospital, the Justice Center, Upstate, ACR Health and Helio Health to name a few. Being a part of the HRC is very fulfilling and I have learned so much being a part of the Commission. I am looking forward to working hard and continuing the excellent work the Commission has already been doing.
