RESOLUTION NO. 159

COMMITTING FIVE MILLION DOLLARS IN FUND BALANCE FOR THE PURPOSE OF FUNDING FUTURE DEBT SERVICE AND LESSENING THE BURDEN ON ONONDAGA COUNTY TAXPAYERS

WHEREAS, Onondaga County is committed to a policy of prudent financial management; and

WHEREAS, as part of that policy, the County has determined to maintain accumulated fund balance at a predetermined goal of approximately ten percent of General Fund revenues, thereby ensuring the taxpayers and rating agencies that the County has preserved adequate resources to protect the County; and

WHEREAS, as national events have resulted in difficult economic times, Onondaga County has imposed austerity measures and maintained its fiscal integrity; and

WHEREAS, Generally Accepted Accounting Principles (GAAP) provide for the County to take formal action by committing funds for a specific purpose, which commitment is binding unless removed in the same manner in which it is imposed; and

WHEREAS, in addition to the funds needed to meet the ten percent goal, Onondaga County desires to commit five million dollars in fund balance for the purpose of funding future spikes in debt service payments; now, therefore be it

RESOLVED, that Onondaga County hereby commits five million dollars in fund balance, in addition to the funds needed to meet the ten percent goal, for the purpose of funding future debt service and, thereby, lessening the burden on the Onondaga County taxpayers.

WHEREAS, in prior years, Onondaga County has negotiated agreements to provide snow and ice removal services on county-owned roads with the County of Cayuga and with several towns and villages located in Onondaga County, and similar agreements for the 2012-2013 winter would be beneficial to the County and its residents; now, therefore be it

RESOLUTION NO. 162

REQUESTING NEW YORK STATE TO ENACT LEGISLATION ALLOWING COUNTIES TO COLLABORATE WITH PUBLIC AUTHORITIES REGARDING PURCHASING

WHEREAS, public authorities are corporate entities created to run facilities and utilities for public benefit, and such entities generate revenues from service fees and public subsidies from the various governments with which such entities are affiliated; and

WHEREAS, through recent amendments to laws governing local procurement practices, New York State has indicated a willingness to foster cooperation and collaboration between government entities; and

WHEREAS, Onondaga County residents would benefit from further statutory amendments allowing counties to provide purchasing services to public authorities operating within the county, as such collaboration would enhance the buying power of both the county and the public authorities, resulting in both greater efficiencies in service delivery and lower taxes and fees; now, therefore be it

RESOLVED, that this Onondaga County Legislature hereby requests New York State to adopt legislation permitting counties to collaborate with all public authorities regarding purchasing services, with such public authorities including public benefit corporations, local development corporations, industrial development agencies, and other not-for-profit corporations sponsored by or affiliated with local governments; and, be it further

RESOLVED, that the Clerk of this Legislature is directed to cause a copy of this resolution to be transmitted to the Governor and all of the legislative members representing Onondaga County at the state level.

RESOLUTION NO. 163

ADOPTING A REVISED SALARY BENEFIT SCHEDULE WITH RESPECT TO COUNTY EMPLOYEES NOT REPRESENTED BY A BARGAINING UNIT AND AMENDING RESOLUTION NO. 14-1995

WHEREAS, by Resolution No. 180-2010, the County adopted a revised salary and benefit schedule for management confidential employees, providing for a series of accelerated steps for such employees, and the final phase of that schedule concluded on April 1, 2012; and

WHEREAS, the County is changing the electronic data system used to administer its personnel and payroll, and the new system requires the use of numbered lateral steps within a grade, as opposed to the former use of lettered lateral steps within a grade; and

WHEREAS, it is necessary to provide for a revised salary and benefit schedule for management confidential employees using numeral steps instead of lettered steps and to restore the salary schedule structure that concluded on April 1, 2012; now, therefore be it

RESOLVED, that the Salary and Benefit Schedule, attached hereto and made a part hereof as Appendix A, entitled "Management Confidential Salary Schedule Effective January 1st, 2013", shall be applicable to all regular full time employees and regular part time employees (on a pro rata basis) who are not represented by a bargaining unit through a recognized labor organization; and, be it further

RESOLVED, that the salary schedule set forth in Appendix A shall take effect as of January 1, 2013; and, be it further

RESOLVED, that effective January 1, 2013, each newly-hired management confidential employee shall be slotted into the first step (step 1) of the appropriate grade for such position, as set forth in Appendix A, including all part time, seasonal and temporary employees on the 103 payroll serving in management confidential titles; and, be it further

RESOLVED, that effective January 1, 2013, each management confidential employee shall be slotted into the first step on the salary schedule set forth in Appendix A that corresponds with the salary for such employee otherwise imposed by the then-current schedule from Resolution No. 180-2010 within the appropriate grade for such employee's title; thereafter, each such employee shall advance one lateral step within the same grade effective with the beginning of the first full payroll period after the employee's anniversary date in title, and each such employee shall receive compensation at the rate established in Appendix A for said grade and step; and, be it further

RESOLVED, that employees who are promoted into or within management confidential titles shall receive a minimum increase of five percent (5%) over their present salary in the lower grade and be slotted into the higher grade at the first step above step 2 on the then-current salary schedule that meets or exceeds the 5% adjustment, and that Resolution No. 14-1995 hereby is amended and superseded with respect to the minimum two percent (2%) promotional increase; and, be it further

RESOLVED, that nothing herein shall be construed to eliminate the annual lateral movement across the steps for Onondaga County management confidential employees as originally provided for in Resolution No. 231-2000, Appendix C, Paragraph 3, and as modified by Resolution No. 180-2010, whereby such annual lateral movement is to occur for employees effective with the beginning of the first full payroll period after the employee's anniversary date in title of each year; and, be it further

RESOLVED, that resolutions establishing the salary for the Election Commissioners, including Resolution Nos. 79-2010 and 232-2008, hereby are amended to be consistent with this resolution; and, be it further

ONONDAGA COUNTY  
LEGISLATURE

A LOCAL LAW CREATING THE ONONDAGA COUNTY NEIGHBORHOOD INITIATIVE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF ONONDAGA COUNTY, NEW YORK, AS FOLLOWS:

Section 1. Purpose/Intent.

This Onondaga County Legislature finds that residential properties that are well-kept and visually appealing greatly benefit county residents as a whole, in that such properties enhance the value of surrounding properties, promote development and investment in the communities within which such properties are situated, and contribute to developing civic responsibility and growth within neighborhoods. As such, this Legislature declares that it shall hereafter be a county purpose to provide financial assistance to homeowners within Onondaga County to make external repairs or improvements to their homes for the protection and enhancement of the physical and visual environment and protection of the property located within the County.

Initial program funding is to be appropriated within the 2013 County Budget from revenues generated by the PILOT arrangement with DestiNY and the mall expansion project. The original investment was intended to further economic development and growth within the County, and using such revenues to support this program furthers the original goal.

Section 2. Establishment.

The Onondaga County Neighborhood Initiative (OCNI) is hereby established to provide financial assistance to homeowners within Onondaga County to make external repairs or improvements to their homes for the protection and enhancement of the physical and visual environment and protection of the property located within the County. The program shall be subject to annual appropriations made within the Onondaga County Budget.

Section 3. Program Scope.

Under the OCNI program, financial assistance shall be in the form of grants made to property owners within Onondaga County who occupy the property as a primary residence. The grant shall be used to "buy down" the interest rate on a loan made to such property owner by a third-party lender to a simple rate of one percent (1%), such that the property owner is responsible for paying to the third-party lender an amount equal to the loan principal plus one percent of such principal (1.01%) and the OCNI grant would be paid in an amount equal to the remainder of the actual interest charged on such loan.

Section 4. Administration.

The County may provide for administrative service contracts related to this program, including contracting with an entity that is able to review property owner applications and determine whether projects to be financed through this program would contribute to the stated goal of protecting and enhancing the physical and visual environment and protection of the property located within the County ("administering entity"). Further, the administering entity would be responsible for negotiating and executing agreements with lending entities that would provide the loan capital. The administering entity could receive a fee for providing such services in an amount not to exceed ten percent (10%) of the total OCNI grant funds provided by the County.

OCNI grants shall be awarded on a competitive basis to property owners within targeted areas of Onondaga County. A committee shall be formed to determine the geographic boundaries of the targeted areas to be served by the OCNI program and the proportionate amount of grant funds to be spent within each such area.

The committee shall consist of three individuals: two appointed by the Chair of the Onondaga County Legislature, with one such appointee being a realtor or otherwise involved in residential property sales and the other such appointee having experience in neighborhood growth and renewal, and the third appointment is to be made by the County Executive, which such appointee is to have experience with community development. The Chair of the Legislature shall designate the chair of the committee, who shall call meetings, as necessary. Each appointee shall serve a term not to exceed three years. The committee shall act on unanimous consent to designate the targeted areas.

Section 5. Limitations.

In no event shall a property owner receiving an OCNI grant receive a loan with a principal in excess of \$10,000. The OCNI grants shall not be used to directly finance homeowner projects. Any agreement with the administering entity shall provide that the County is not in any way responsible for a property owner's default in repaying the loan. The administering entity shall be responsible for repaying all loan capital to any lending entity, together with such additional fees or compensation negotiated for the use of such capital by the administering entity. The administering entity shall hold the County harmless for all damages arising from the administration of the OCNI program.

Section 6. Effective Date.

This local law shall take effect upon filing in accordance with the Municipal Home Rule Law.
